

## OFFER FOR PARTNERS

### Come and join the largest Czech 3D printers exhibition! EIGHT season this year!

After last year with more than 30 exhibitors that was attended by 2000 registered and thousands of unregistered visitors within four days, **3Dexpo** continues to its 8th season. This year venue for the exhibition will be PVA Expo Prague in Letňany in the term **25th to 27th April 2023**. There will be **1000 m<sup>2</sup>** of exhibition space including **250 m<sup>2</sup>** for the accompanying program.

We expect turnout of thousands of registered visitors at 3Dexpo, which also complement the thousands of visitors to the **Reklama Polygraf Fair**.

#### Why should you join?

If you offer 3D printers and related products and services with a focus on individual users, DIY, hobbyists or small business, then 3Dexpo represents the best opportunity for direct contact with the target group of potential customers.

Organizers will encourage participation in this event and its visibility in the media. **Free access** to 3Dexpo and **Reklama Polygraf Fair** will be provided for all registered visitors as well.

#### Date and venue:

25th to 27th April 2023  
Tue, Wed, 10:00 – 18:00, Thu 10:00 – 16:00  
**Hall 6** PVA Expo Praha in Letňany

#### This year main theme:

### Recycling / ecology

#### Programme:

25. – 27. 4. 3D technology exhibition  
25. – 27. 4. additional programme – workshops  
26. 4. Battle of 3D printers

*(programme may change)*

#### Contacts:

#### Organizer and technical support:

3D Aréna, z. s. (IČ: 04331907)  
Korunní 926/30, 120 00 Praha 2

3Dexpo s.r.o. (IČ: 04949790)  
Korunní 926/30, 120 00 Praha 2

#### Exclusive Media partner:

**3D-tisk.cz** – czech website about 3D printing  
**Konstruktér** – engeneering magazine with 3D printing section

#### Don't miss the battle of 3D printers!

All partners are invited to participate in a public 3D printer competition and demonstrate their printers' abilities on a regular print task.

This event is also a great opportunity for all visitors, as it will help them choose a printer that will meet all their needs.

Results of the benchmark will be presented on the conference and published in **Konstruktér** and on the website **3D-tisk.cz**.
